## Campaign 27 April, a day of protest against the Dutch government!

### Picket in front of the Dutch Parliament in the Hague!

Come and join us in our campaign against the policies of the Dutch government regarding asylum seekers. There is a picket outside the Parliament building in the Hague on 27 April 2011. Join us in our effort to change the asylum rules in Holland in favor of the refugees. We need your support.

**Day: Wednesday 27 April 2011**

**Time: 13.00-15.30**

**Place: Dutch Parliament building in the Hague**

A delegate from the Bureau for Defense of Refugee Rights will meet the Parliament representatives at 13.15 hours. There will then be speeches outside the Parliament building by Magid Postanchi (member of the Bureau), Maryam Kousha (Organisation for Women's Liberation) and Nasrin ramezanali (member of the Politburo of Worker-communism Unity Party). Messages of solidarity will be read at the gathering.
